Dear Distributors and colleagues,

It is with mixed emotions that we announce today the upcoming departure of Joaquin Segl "JQ" from Signal Group on December 31st. Joaquin is a recognized ITS professional that served as General Director for Teknotraffic for the last two years.

Most of us who have worked with JQ have found him to be a very conscientious, professional and hard-working person. Joaquin's outgoing and friendly personality helped to create a pleasant environment to work in and he is held in high regard by his colleagues and peers.

Fortunately, Joaquin's contributions to Signal Group's family do not end with his departure. On his new position as President of SEGL Consulting, he will still be able to contribute to further promote our group of companies as the need arises.

Gustavo de la Pena, Peek Traffic's Sales Director will be assuming Joaquin's current duties and responsibilities. Gustavo's experience and track record in managing our Sales Department will ensure a smooth transition. Gustavo can be reached at Gustavo.DelaPena@peektraffic.com or at 281.453.0203.

As of January 1st, 2017, Joaquin can be reached at joaquin@seglconsulting.com or at 408.657.7345.

Signal Group wishes Joaquin the best of luck on his new endeavors.

Sincerely,

Rolando Garcia
COO & VP of Operations—Signal Group
